FLORAL DESIGN

by

Candice Haynes

Hi!

Thank you so much for your interest in my flowers and a huge congratulations on your pending nuptials!

*I'm sure your first question is, how much are flowers anyway!?
How long is a piece of string?!*

It just all depends on what you want...

There are so many different things that can affect the cost, from installations, venue location and even seasons.

Each wedding is different and I quote each one individually.

Weddings start at a minimum spend of 2500 which is the perfect budget for a small ceremony.

I have put together this price guide so you can get a rough idea of how to budget for your big day and decide what's most important for you.

If you think I'm the florist for you, lets schedule a chat and go from there.

Prior to our chat I will ask you to fill out a form so I can get an idea of what it is you are after and we will go through it together.

I look forward to hearing back from you and hopefully creating beautiful floral designs for your gorgeous day!
